All sponsors will be recognized on the CJR Memorial Foundation website and Facebook page. Business sponsors will have a direct link through the CJR Memorial webpage to their own website. There will be multiple walkways leading to and around the playground so there are plenty of opportunities to become a sponsor!!

Dear Friends:

In July of 2012, we applied for a DCED Grant from the state that would cover roughly 80% of the necessary funds required for the project. A grant was awarded in the amount of \$225,167 from the Department of Community and Economic Development! We also were awarded additional grants from the Wayne County Redevelopment Authority for \$15,000 and the Ronald McDonald House Charities of NEPA for \$10,000. With these grants and money raised from events and sales of pavers, we were to begin construction of the playground on September 11th of 2014. November 1st. of 2014 marked the official opening of the CJR Memorial Playground. Since the dedication ceremony, the playground has been a destination for all local families to enjoy. This playground caters to children from 5–12 years of age, and is also handicapped accessible. A playground that ALL children in our community will enjoy for many years to come.

Now is the time for our community to get involved with this exciting project! Families and business can sponsor blue stone pavers of a variety of prices and size. These pavers have been used in the construction of the walkways in and around the playground facility. The additional funding generated by the sale of these pavers will go towards upgrading the existing playground surfacing, construction of a permanent bathroom facility along with other improvements. Depending on the donation level, sponsors will have their name, business name and/or logo, or message engraved on individual pavers. This is a great way to recognize your family or promote your local business.
