We are proud to announce that Caleb's Memorial Playground at Hawley's Bingham Park has been completed. A permanent handicap accessible bathroom facility, walkways around the play area and a new toddler play system were all added. Since its dedication on November 1st, 2014 the playground has been a popular attraction for children of many ages.

We are extremely happy to see all the children enjoying Caleb's playground!

Thank you to all the volunteers, contractors and donors who were involved with this project.

Once again, teeing off on hole #10 for every group will be Michael Watson! Watch him blast a 400 yard drive down the fairway! Make a donation on his hole and you will have the opportunity to win a \$5000 trip to Pebble Beach. All you have to do is sink your next shot from the fairway and get the double eagle. With his drive, it's equal to playing on a par 3. We are excited to see him in action again this year!

Anyone who donates on this hole will be entered into a drawing to win a new Ping G400 driver.

\$10,000 Cash Prize

The CJR Team is excited to be gearing up for our 9th Annual Golf Invitational! Hard to believe another year has passed. I would like to thank all of our past sponsors and participants for their continued support and welcome those of you who would like to be part of our effort. Your generosity has been greatly appreciated over the years.

Because of you, Caleb will never be forgotten!

As in past years, we proudly support The Children's Hospital Of Philadelphia brain cancer research team and will continue sponsoring a room at the Ronald McDonald House in Caleb's name. We also receive requests from families experiencing financial hardship while caring for their critically ill child. The CJR Memorial Foundation helps these families make ends meet so the parents are not forced to choose between their jobs and spending time with their sick child. For two years now we have been in partnership with the Make-A-Wish Foundation! Because of sponsors like you, three critically ill children and their families from NEPA went to Disney World for one week, all expenses paid! Flights, hotel, park tickets, special meet-and-greet experiences and more! We can't wait to make these wishes come true for more children in our area this year.

The CJR Memorial Foundation will be kicking off our grant program this year! We are connecting with kids who have started their own charitable missions in the fight against cancer. These inspirational kids are using their own experience to help others and their stories will surely warm your heart. We are excited to tell you more at this year's event!

Thank you in advance for joining my family in our effort to help other families in need. We look forward to all that can be accomplished this year in honor of our beloved little angel Caleb.

Keeping Caleb's Memory alive.
